TB Sewtech Turkey Received the "Company that Increases Female Employment the Most"

As TB Sewtech Turkey, we received an award in the category of "Company that Increases Women's Employment the Most" in Turkey's Entrepreneurial Women's Power Competition, which was held in cooperation with the Union of Chambers and Commodity Exchanges of Turkey (TOBB), TOBB Women Entrepreneurs Board and Turkish Economic Policy Research Foundation (TEPAV).

We are proud to bring the award to Düzce in the competition where there were approximately 7000 applications.

We will continue to work within our ecosystem for gender equality.
